ASSEMBLY MANUAL

zenflow

We're honored you've chosen Zenflow

More than a lounger — Zenflow is a handcrafted invitation to pause, unwind, and restore.

Thoughtfully made to bring lasting calm into your everyday, each piece is shaped with care, comfort, and intention.

It's our quiet privilege to share this moment of stillness with you.

*" Handcrafted to make doing nothing
feel like everything. "*

zenflow

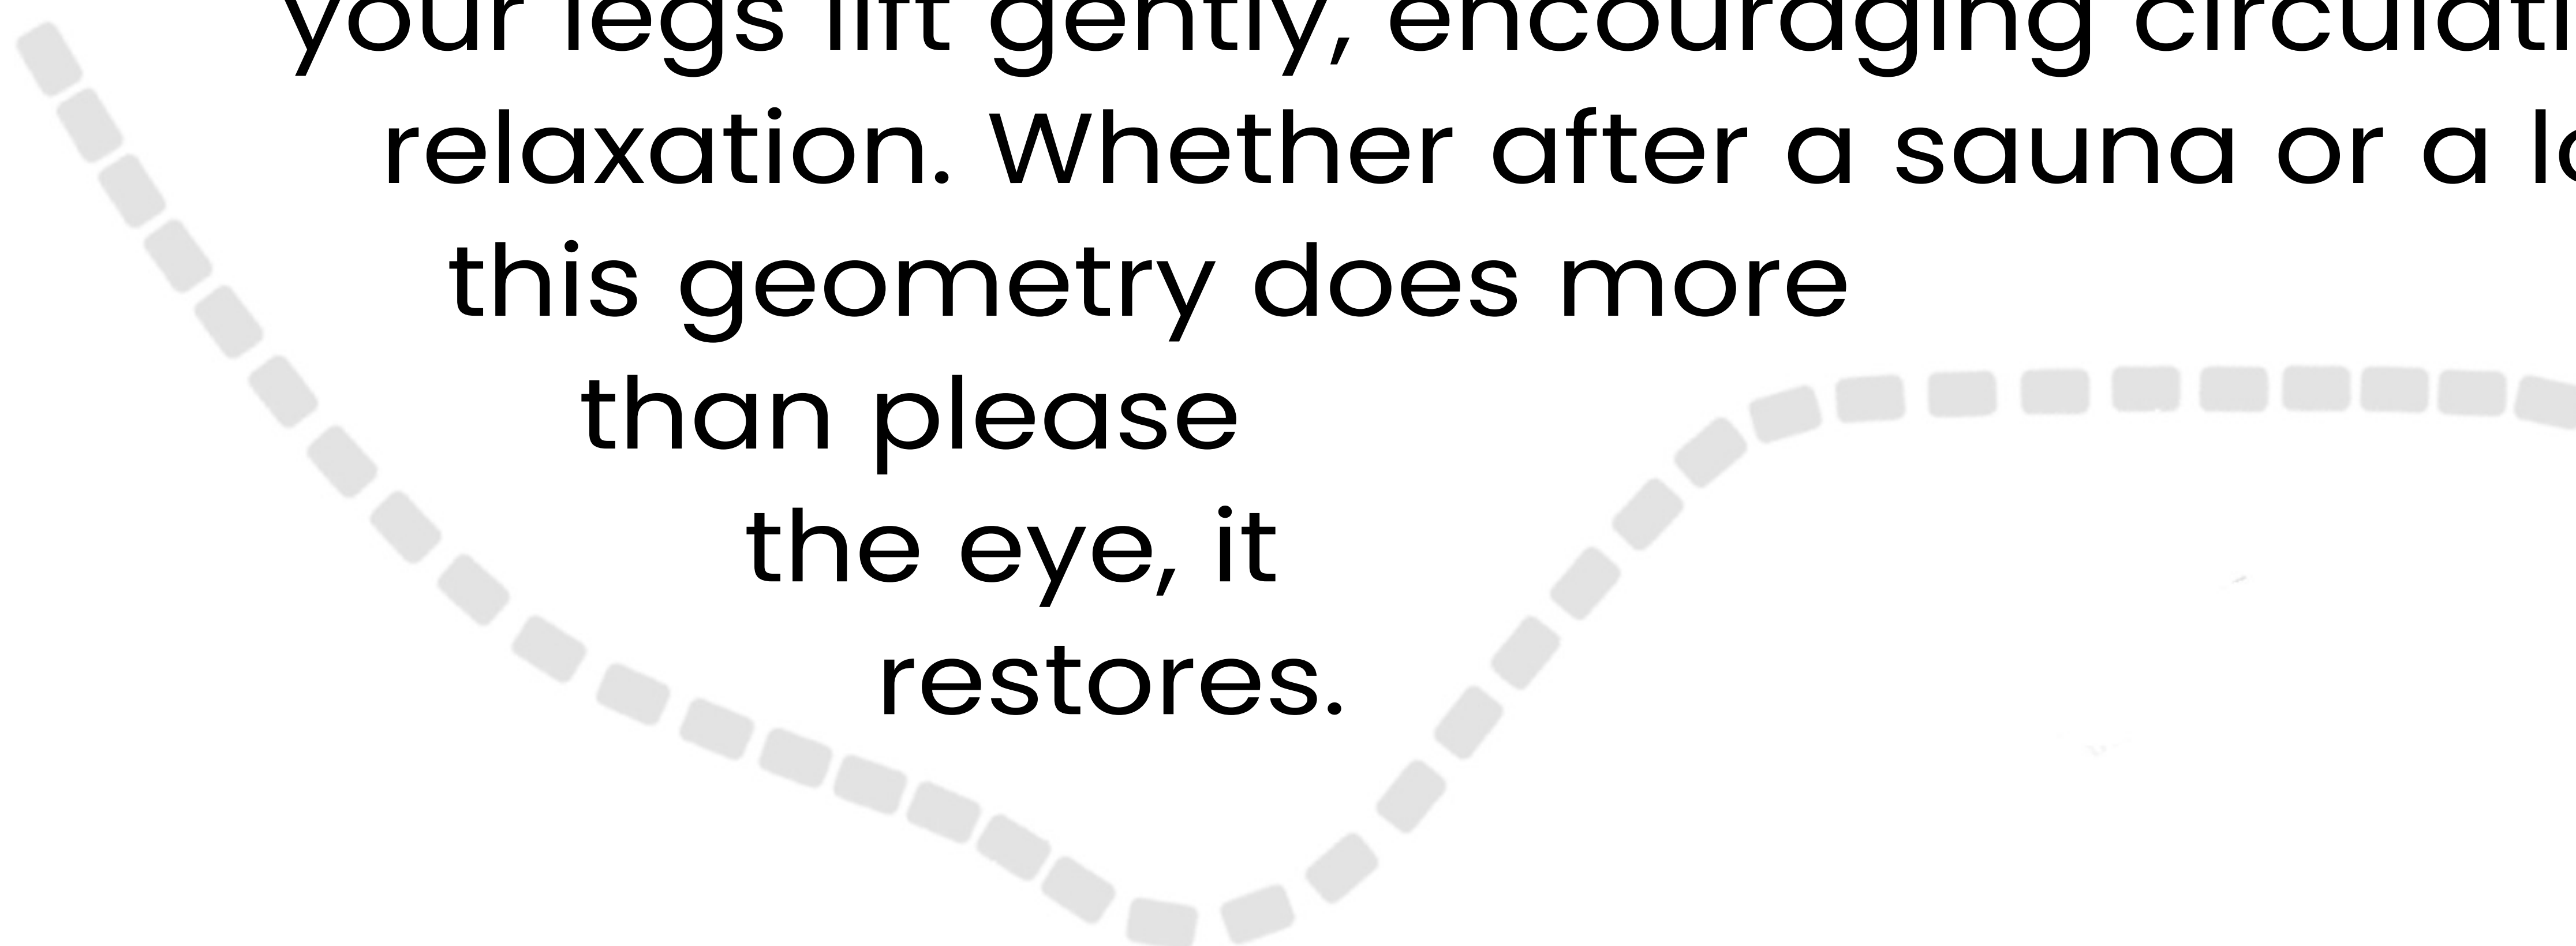

Geometric Harmony

We have spent countless hours with refining the lounge's form – shaped through collaboration with engineers, therapists, and real users.

Its continuous curve aligns the spine, neck, and legs with precision, inviting your body to fully release into rest.

“ Where form meets stillness. ”

The balance point is carefully calculated: as you recline, your legs lift gently, encouraging circulation and deep relaxation. Whether after a sauna or a long day, this geometry does more than please the eye, it restores.

Dimensions & Specifications

- Length: 164 cm
- profile length: 190 cm
